STRING ALONG WITH OUR PRIZE WINNING DAHLIAS IF YOU WANT BLUE RIBBONS

H. H. ROBENS

41 HALL AVE.

CHAGRIN FALLS, OHIO

We are featuring for 1946 the following Exhibition New Introductions.

No Plants or Cuttings, except where noted.

33-1/3% To Trade, unless marked Net. Special prices to the trade on  
3 roots of one variety.

-1-

"PARTNER" (Dozier-Robens) I.F. Color Peach Buff with a cast of cameo, very hard to describe color; it is different from any dahlia we grow. Some call it pink, others call it Autumn shades a very nice color in the sunshine also in artificial light. It is a very sturdy grower on any soil we have ever planted it and believe any one who grows dahlias can grow it. Bush 5 to 6 ft., very long, strong stems, flowers on top or looking at you; very good center, almost insect proof. A real Exhibition High Class Dahlia. On Two Honor Rolls and a winner at the shows. Has been grown to 12-3/4 in. wide and nearly 11 in. deep as petals come back to the stem forming a ball. A very good keeper when cut.

In 1944 at East Liverpool, Ohio one single specimen bloom won a Blue Ribbon and four Special Awards, one for the largest and most perfect bloom in the show and they really show good dahlias at East Liverpool; In 1945 it won First in Autumn class at Chagrin Falls, O. At East Liverpool it won First in three-bloom Autumn class. At Cleveland, O. it won first in three-bloom open Autumn class and First in three-bloom I.F. Seedling class and First and Special Award in Single bloom single class at Wellsville, O. it was First and Special Award in open three-bloom Autumn class. Some blooms may come a nice formal.

Stock Limited. -----Roots \$15.00.

-2-

"PATRICIA" (Huey-Robens) A very large pink and best I.F. Pink we have ever grown, Light rose pink, a free bloomer for one producing such large blooms. Good long stems, flowers facing; a strong grower and nice large plant, insect resistant, will grow to 13 in. and very deep. It has many Blue and Special Awards to its credit, one of them being the Largest and Most Perfect bloom at Cleveland, O. in 1943. It has never been entered in a Seedling Class, all its winnings have been in Specimen Bloom class open to all entered with the best of them. On all three Honor Rolls.

Expect to have a few plants at ---\$7.50. Stock very scarce. ~~Roots ---\$15.00.~~

-3-

"SNOW DRIFT", F.D. A Seedling of "DARCEY SAINSBURY" a very nice clear white, with a fine long straight stem, blooms erect or facing, will grow 9 to 12 in. and good depth, a broad flat petal and a very tight center. This one should make good as an Exhibition dahlia like its parent. Two very good growers have pronounced it a very nice dahlia. Owing to wet weather it was not planted until July 21st, therefore blooms were not available until just before the frost and were too late for exhibition.

Roots --- \$15.00.

# DAHLIAS

OUR 1946 LIST OF PRIZE WINNERS, CONSISTING OF RECENT INTRODUCTIONS AND STANDARD VARIETIES. WE HAVE MANY OTHERS NOT LISTED. (33-1/3 To Trade)
